

Conestogo Wind Energy Centre Community Liaison Committee (CLC): Meeting No. 1

Wednesday, June 20th, 2012

6:30 p.m. to 8:30 p.m.

PMD Drayton Arena, Main St. W, Mapleton (Drayton)

Open to the General Public - for Observation

A Community Liaison Committee (CLC) has been established as a forum to exchange ideas, share information and provide regular updates on the construction, installation, operation, maintenance and retirement of the Conestogo Wind Energy Centre ("Facility"). The CLC will not re-visit matters previously raised during the proposal/planning stage for the Facility (e.g. location of a Wind Centre in Wellington County or the subject site, the *Clean Energy Act*, the MOE's approval process, etc.).

A total of four (4) CLC meetings will be coordinated and facilitated by IBI Group over the next two years. All meeting materials (e.g. agendas, minutes, presentations, reports, etc.) will be made available for public review at www.NextEraEnergyCanada.com.

The CLC meetings will be open to the general public for observation. Brief depositions (up to 3 per meeting, at a maximum of 5 minutes each) may be made by members of the general public, providing the depositions pertain to items on the meeting agenda (i.e. the construction, installation, use, operation, maintenance and retirement of the Facility). Depositions will be selected at the discretion of the CLC Chair and the Company, in consultation with CLC members.

In order to be considered for a public deposition, please submit a request and the actual written deposition, at least one week in advance of a planned CLC meeting, to Amy Shepherd of IBI Group:

Email: ashepherd@ibigroup.com

Fax: 416 596-0644 (attention Amy Shepherd)

Mail: 230 Richmond Street West, Toronto, ON, M5V 1V6 (attention Amy Shepherd, IBI Group)
